

# MICCAI 2017 Workshop Proposal

## Title

## Organizing Team

Please provide names and affiliations of the organizing team.

## Contact Person

## Workshop Description

A MICCAI satellite workshop should provide a discussion ground focusing on a specific sub-topic of MICCAI or promote novel fields of research within MICCAI. Please provide a detailed description of the **specific** subject that will be addressed in the workshop. Note that workshops that are too general and cover a wide variety of topics will be asked to narrow their scope.

## Duration

Half Day

Full Day

## Web-site

Please provide a link to the web-site where your workshop will be posted and maintained.

## **Expected Number of Attendees and Participants**

*An important prerequisite for a successful workshop is sufficient number of submissions and attendees. Please provide and explain the basis of your estimate (e.g. numbers from previous workshops), and/or provide a list of potential participants, and/or indicate if they have already confirmed their willingness to submit.*

## **Speakers**

*Please provide names, even if preliminary, of the invited keynote speakers. Note that MICCAI 2017 will not waive speaker registration fees unless explicitly requested and approved by the MICCAI 2017 satellite events committee as per the "call for workshops" guidelines.*

## **Review Process**

In order to ensure that the workshop will adhere to standard academic review practices, please indicate what will be your review process and how they will mitigate possible conflicts of interest.

## **Publication Strategy**

Please indicate if you plan to coordinate a publication of the accepted workshop submission.

### **Poll: Springer LNCS Joint Publication**

MICCAI 2017 is currently discussing with LNCS the possibility of a joint proceedings for satellite events to facilitate and promote long term availability of papers. In order to probe the organisers' interest, please tell us if you would like this workshop to be part of a joint publication.
